

**The Irish Jewish Museum invites you to a talk on  
“The Forgotten Refugees”  
The History of the persecution and expulsion of the Jews of  
Iraq**

**Aida Phelops**

Aida will present this history through the eyes of an anonymous survivor, followed by her own family's experience as well as her own experience growing up as a first generation displaced Iraqi Jew with no right of return to her birthplace.

The Irish Catholic Newspaper recently interviewed Aida for an article on the "Lost History: understanding the unseen story of Iraqi Jews". She feels very strongly about this "Lost History".

Aida was born in Baghdad, grew up in the UK, went to the Hebrew University, Jerusalem, and has been living on the Beara Peninsula in West Cork for the last

12 years.
