What have the Jews ever done for us?

(with apologies to Monty Python)

KEVIN MYERS

ALL RIGHT, BUT APART FROM THE SANITATION, MEDICINE, EDUCATION, WINE, PUBLIC ORDER, IRRIGATION, ROADS, THE FRESH WATER SYSTEM AND PUBLIC HEALTH.....

WHAT HAVE THE ROMANS EVER DONE FOR US?

In the spirit of the scene in the movie "Life of Brian," where the question is asked: "What have the Romans ever done for us?", Kevin Myers asks a similar question about the Jews. Kevin has always been amazed that despite the huge contribution made by Jews to whichever country they settled in over the centuries, they were nearly always treated as inferior aliens.

"All right," asks Kevin, "but apart from the Bible, the Ten Commandments, and the achievements of Jewish thinkers, philosophers, inventors, scientists and others who have shaped world events, what have the Jews ever done for us?"
